A Non-Profit Vocational Center & Animation Studio
For Young Adults On The Autism Spectrum

What people are saying about their experiences working with Exceptional Minds Studio:

"When I toured the EM School/Studio, I realized what a wealth of untapped potential existed in this extraordinary group of young adults."

Victoria Alonso, EVP of Physical Production, Marvel Studios, "Avengers: Age of Ultron"

"Not only incredible work and a pleasure, but every shot FINALLED on its first presentation! Thanks to you and the team of artists!"

Diana Giorgiutti, VFX Producer, Marvel Studios, "Ant-Man"

"We now use the EM team for many of our VFX shots when we need a dependable, talented, economical team to help us complete a variety of projects at Stargate Studios. "

Sam Nicholson, CEO / VFX Supervisor, Stargate Studios

"A small but vital role played to perfection for Tim Burton. If only we'd heard about you earlier we'd've given you a lot more shots. Thank you so much!"

Hal Couzens, VFX Producer, "Miss Peregrine's Home for Peculiar Children"
